

Manhole Rehabilitation

Liberty Lane / Desert Foothills Pkwy. - 13th Way

Project Number:

WS90500118

Date:

JULY 2026

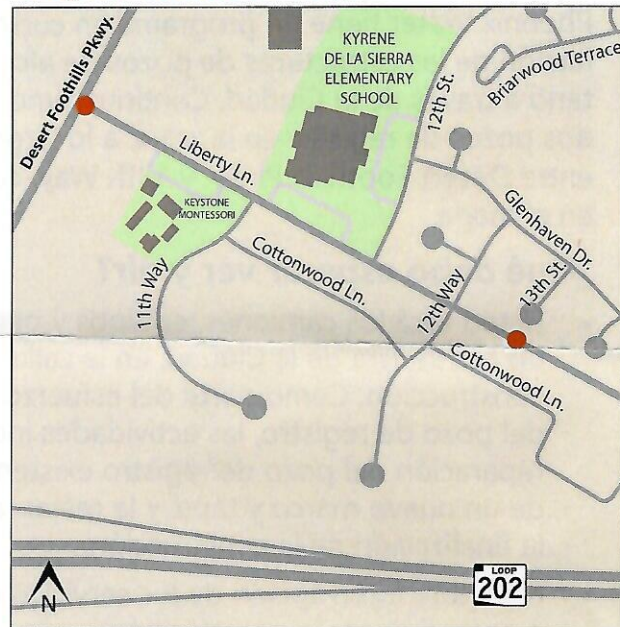

CONSTRUCTION NOTICE

Phoenix Water has an ongoing program for rehabilitating sanitary sewer manhole structures throughout the City. We will continue working on two manholes in the area, along Liberty Lane between Desert Foothills Pkwy. and 13th Way, as shown on the map.

What should I expect to see and hear?

- You will see the trucks, equipment and personnel of TFC, a contractor to the City, in the street throughout construction. As part of the manhole rehabilitation effort, activities include: repair of the existing manhole, installation of a new frame and cover, and restoration of the street at the completion of construction.
- There will be no disruption to sewer or water services during construction.
- Access to residences and businesses will be maintained at all times. Only intermittent interruptions may occur.
- You may hear noise from trucks, pumps, and other equipment during the hours of operation. We will do our best to minimize disruptions.
- This work requires water/grit blasting in the manholes and we will do our best to minimize dust in the area.

Project Location Map

KEY: ● Manhole Rehabilitation

QS 012-29, 012-30

Construction Schedule

July 27 - Sept. 18, 2026

Work will generally occur from 7 A.M. to 5 P.M., Monday through Friday.

Traffic Restrictions

- Watch for shifting lanes along Liberty Lane between Desert Foothills Pkwy. and 13th Way.
- Please observe all signs and barricades around the equipment and contractors who are working throughout the area.
