I believe as a Board member, I can make a contribution to the business aspects of the Association and represent all members of the Association. I understand the Board of Directors is charged with the responsibility of managing the affairs of the Association according to the governing documents. I understand that Directors have fiduciary duties to act in good faith and in the best interests of the Association and will make reasonable efforts to become familiar with the Association's governing documents. I understand the Board of Directors makes decisions based on what is in the best interest of the community as a whole, not in the interest of any individual or group of owners. I am interested in making a contribution to this decision-making process. If I am elected to the Board of Directors, I will not use my position to gain personal power or advantages not available to non-board Association members.
